

## DELAYED ACCOUNT BILLING

The City of North Little Rock offers a Delayed Account Billing Service to qualified customers. This program is designed to assist customers whose financial welfare depends solely upon the receipt of monthly income from Social Security, Welfare, Pension, or Child Support Payments.

Customers electing to be placed on the Delayed Billing Program will be billed with the regular Customer Accounts for their area. The difference will be that Delayed Billing Customer's Accounts will be due either the 5<sup>th</sup> or the 10<sup>th</sup> of the next month depending upon the time of the month that the account is billed. Penalties for late payment will still apply. Due to the necessary set-up time to establish the new billing due date, application may be delayed one month.

*Delayed Billing Accounts must remain current to continue to qualify for this service.*

I, \_\_\_\_\_, declare that my financial welfare depends solely upon the monthly receipt of the following and that I have no other means by which to gain financial support.

Social Security \_\_\_\_\_ Welfare \_\_\_\_\_ Pension \_\_\_\_\_ Child Support \_\_\_\_\_  
Other \_\_\_\_\_

Electric Account Number \_\_\_\_\_

Signature \_\_\_\_\_

Date \_\_\_\_\_
